September 2024 GCQG Presidents Message

Welcome to a new month & quilt show gear up!!! I am looking so forward to fall . . . I can't wait for the cooler temperatures. But that also means the holidays are close behind & that is when I start to stress out!!! So much to do & less time to do it in, mentally & physically. It seems that work is always busier as well, so a double whammy!

Now that the Show Ribbons are done, I am trying to figure out what to do next. I am struggling to wrap my head around a UFO project I was planning to finish. To give you some perspective, It is project from a class I took at Randy's many years ago! LOL 😊 I think I have decided not to push myself this close to show & the holiday ramp up. And I seem to have a lot of "home" projects demanding my attention as well!

I am very excited about our quilt show this year & I hope you are as well. I have watched you guys pull this together like a well-oiled machine. I want to commend you all for all the hard work & dedication that has gone into this. I know it's not done yet, but sometimes we need a pat on the back to drive us over the finish line! The excitement is building & I am really looking forward to it! Maybe the show will inspire my next project!

This has had me thinking about how much I love this guild & the greater quilting community.

One of the biggest things I most love about quilting - our community of quilters. We are from all walks of life taking part in an old tradition that connects us to our ancestors as well as each other. Sharing our skills, supporting each other along with our wider community.

Quilting is not just about fabric & stitches, it's about the creativity that supports & drives us along with the love & warmth we weave into every quilt project. So, whether you're a seasoned quilter or an eager beginner, quilters will wrap you in a cozy patchwork hug 😊

What is your favorite thing about quilting? What do you most love about being in a quilt guild? Let me hear from you via email sandygquilts@gmail.com, phone or in person, your thought on both pressing questions?

Quilty Yours,

A handwritten signature in cursive script that reads "Sandy".

Annett Ornelas "Clever 3-D Curves" www.SouthwindQuilts.com/

Southwind Designs, which began in 2000, was developed to offer students unique quilting patterns that were easy, fun and could be done by any level of quilter. Owner Annette Ornelas wanted to teach quilting in a way that would put her students at ease in a relaxed atmosphere and provide a new spin on traditional patterns and quilts.

Since then, Annette has produced over one hundred patterns and two books one of which, Peeled-Back Patchwork: Curves without Piecing, was published through AQS in 2004. She also developed the Dimensional Curves technique to simplify the process of piecing curved quilt-block shapes for her students.

2024 Gate City Quilt Show: Rules

The quilts in this show are not juried.

1. The maker(s) of a cloth quilt is eligible to enter. If a group submits a quilt entry, one person must complete and sign the entry form on behalf of the group (the submitting entrant).
2. Entries for categories 1-16 must have been completed after 1/1/2020 and not previously entered in the Gate City Quilt Show.
3. The entry fee is \$5 per quilt for current members of the Gate City Quilt Guild (GCQG) and \$10 for non-members.
4. All quilts must have a sleeve with an opening of four (4) or more inches sewn to the top back of the quilt. The sleeve must have $\frac{1}{4}$ - $\frac{1}{2}$ " of ease between the outer edge of the sleeve and the quilt back. Exception: Sleeves on Miniatures must be at least 2 inches with $\frac{1}{4}$ - $\frac{1}{2}$ " of ease. The hanging sleeve must be **SEWN** (not pinned) to the quilt **prior to submission of the quilt to the show**. Quilts not in compliance with this rule will **NOT** be accepted.
5. Entry must have a label on the back with the quilt name, maker's name and address (city and state). This label must have a temporary cover attached **preferably blue painter's tape** or with a fabric cover and safety pins.
6. Odd-shaped quilts and quilts with multiple panels must be mounted on black fabric containing a sleeve (see Rule 4). The top portion of these quilts must be sewn securely to the black fabric. The bottom portion should be loose so the judges can examine the back of the quilts. (Quilts with multiple panels hanging side-by-side horizontally may be mounted to a single black sleeve).
7. Entry must have three (3) layers (top, middle, and backing). Entry must be quilted, not tied, with the following exceptions: crazy quilts, yo-yo quilts, and cathedral windows quilts. Quilting is defined as a running stitch that passes through top, middle layer, and backing.
8. Quilts that require special handling will not be accepted. The determination of whether or not your quilt meets the "special handling" criteria will be made by GCQG Quilt Show Committee members upon delivery of your quilt. Examples of quilts requiring special handling include, but are not limited to, the following:
 - A quilt that is not able to be stacked and/or folded with other quilts without potential damage to that quilt or any other quilt in the show.
 - A three-dimensional quilt that has pieces that extend more than $\frac{1}{2}$ " above the surface of the quilt may be disqualified due to the special handling rule, particularly if those extensions are sharp, jagged and/or very large.
 - A quilt containing rigid frames, rods, or mounting devices. No special lighting may accompany quilts. No rods may be sewn into the sleeves of quilts.If you have a question as to whether your quilt would meet these special handling criteria, please contact Debbie Feulner at **919-815-4356** or **debbie.feulner@gmail.com**
9. Your quilt must **NOT** have any strong odors, e.g., smoke, perfume, mothballs, etc. since it will be stacked with other quilts. Any strong odors (as determined by the GCQG Quilt Show Committee members upon delivery of your quilt) may result in immediate disqualification. Quilts also should be free of pet hair.
10. **Challenge quilts require neither an entry fee nor pictures.**
11. All entries must hang for the duration of the show. **NO** exceptions.
12. Upon submission, the Quilt Show Committee reserves the right to disqualify entries not meeting quilt show rules, a determination made at the sole discretion of GCQG. Quilts not in compliance with the rules will be returned to the entrant.
13. To prepare your quilt for delivery, fold it and place it in a **PILLOWCASE**. Use safety pins to attach the "Registrar's Copy of Receipt" to the exterior of your pillowcase.

2024 Gate City Quilt Show: Categories & Definitions

Ribbons will be awarded to 1st, 2nd and 3rd place winners and Honorable Mention in categories 1 through 16 listed below. Please note that a quilt may fit more than one of the following categories. The entrant should select the category that best fits the quilt. Should a category have too few entries to fill that particular category, GCQG, in its sole discretion, reserves the right to move those entries to another category and eliminate the underutilized category. Should a category have too many entries, GCQG, in its sole discretion, reserves the right to split that category into two or more categories. Final placement of an entry in a category will be at the discretion of the appropriate GCQG Show Committee and/or judges.

1. **Appliqué** – Quilt contains appliqué; *Any size.*
2. **Pieced Small – Home Machine.** Quilt pieced; quilted on a home machine. **Size:** *Less than 50" wide*
3. **Pieced Large – Home Machine.** Quilt pieced; quilted on a home machine. **Size:** *50" wide or larger*
4. **Pieced Small – Long-Arm Machine.** Quilt pieced; quilted on a long-arm machine. **Size:** *Less than 60" wide*
5. **Pieced Medium – Long-Arm Machine.** Quilt pieced; quilted on a long-arm machine. **Size:** *Equal to or greater than 60" wide but less than 75" wide*
6. **Pieced Large – Long-Arm Machine.** Quilt pieced; quilted on a long-arm machine. **Size:** *75" wide or larger*
7. **Hand-Quilted: Pieced and/or Appliquéd.** Quilt pieced and/or appliquéd; quilted by hand. *Any size.*
8. **Art, Abstract or Realistic:** Quilt of original form and composition. Abstract quilts have an emphasis on color, line, and design. Abstract quilts feature abstract, cutting edge, and non-literal quilt work. Realistic quilts illustrate a recognizable image such as wildlife, people, landscapes, cityscapes, still life, plants, or other objects. *Any size*
9. **Modern Style:** High contrast, bold colors, simple shapes, increased use of solid fabric with neutrals as background. May contain reinterpreted traditional blocks, alternative block structures, or a lack of visible block structure. Inspired by modern art and architecture, frequently uses improvisational piecing; embraces minimalism and simplicity. *Any size*
10. **Special Quilt Techniques:** Any quilt that does not obviously fit into any other category such as whole cloth quilts, yo-yo's, crazy quilts, cathedral windows, etc. Quilts in this category may also include innovative techniques such as leaf pounding, digitized designs and other computer-aided stitching, as well as embellishments, painted surfaces, embroidery, silk screening, photo transfers, etc. Quilts where quilting is done with computerized embroidery machine should be entered in this category.
11. **Miniature:** All aspects of the quilt are reduced in scale. Must **not exceed** 24" on any of the four sides. Quilt blocks, if used, must **not exceed** 4". Keep in mind that a photo of a miniature should look like a full-sized quilt.
12. **Group or Team:** Three (3) or more persons creating a quilt
13. **Scrap:** Quilt that **uses 50+ different fabrics**
14. **Block of Month/Kit:** These quilts are defined as patterns, fabrics, threads, and/or quilting designs packaged as a unit for sale. Kits also include Block of the Month programs where the block fabric is supplied by the vendor.
15. **First Time Entry:** This quilt is the first quilt you have ever entered in a show.
16. **Challenge:** Quilt made using the rules established for the 2024 show by the Quilt Show Committee. A **member only** category. No fee for a challenge entry.
17. **Display Only:** members only may display quilts space permitting

Definitions:

- **Home Machine** includes use of any sewing machine that is table-mounted/stationary (including sit-down mid/long-arm machines), allowing the quilter to move the fabric rather than the machine. If a computerized embroidery machine is used to do the quilting, the quilt should be entered in Category 11—Special Quilt Techniques.
- **Long-arm Machine** includes any machine mounted on a frame, allowing the quilter to move the machine head rather than the fabric.

HELP NEEDED

You arrive for a guild meeting and the room is set up and ready to go. After the meeting you say your goodbyes and head home. It's not magical chairs that suddenly appear, Laurie and I show up early to set up chairs and the TV for Zoom and are the last ones to leave after everything has been put away.

We NEED HELP. If you are available (and able) to set up chairs at 6:00 p.m. we could use your help. The same with after the meeting. Thanks to those of you who have helped in the past to put away chairs and tables after the meetings. We would like to see others get involved with set up and breakdown to share the load. Give it some thought and join us at 6:00 or hang around after the meeting. We know some of you are not able to lift and carry so think about how you might help out at the meetings.

Wild can be exciting, remarkable, chaotic, turbulent, extravagant, enthusiastic, natural, fierce, untamed, outrageous, unexpected. Wild includes Girls (or Quilters) Gone Wild; Take a Walk on the Wild Side; Go Hog Wild; Wild West; Where the Wild Things Are; Wild is the Wind; wild at heart or “that’s wild!” Are you inspired by the untamed call of the wild or the lushness of nature left wild; trying the wildest thing you could ever imagine; or creating your own gone wild?

Fiber artists: Create a multi-layered textile joined by stitching that expresses or represents wild! *Here's the link to full details.*
